

Mohammed Ahmed Baessa

Fintech Commercial & Operations Professional

Riyadh, KSA | +966 50 388 0897 | modahmedb@gmail.com

PROFESSIONAL SUMMARY

Fintech operations and merchant partnerships professional with 2+ years of embedded experience inside a live KSA BNPL product (Qasima Plus / Autobia). Combines hands-on Key Account Management, commercial onboarding, and merchant growth with practical exposure to contract drafting support, SAMA compliance awareness, and fraud and dispute resolution — a commercial profile reinforced by an LL.B. (GPA 3.65/4.0) with graduation research focused on the legal architecture underpinning BNPL and installment-sale models. Equipped to operate at the intersection of business development, operational governance, and regulatory compliance within Saudi fintech.

PROFESSIONAL EXPERIENCE

Key Account Manager & Legal Operations Specialist Autobia · Qasima Plus — BNPL Product · Riyadh, KSA

Jan 2025 - Present

- Owned a portfolio of [#] enterprise merchants across the full BNPL lifecycle — onboarding, commercial negotiations, account health, and renewals — acting as the primary business relationship owner and driving [#]% growth in active merchant accounts.
- Standardized the company's BNPL merchant agreement templates in coordination with management, building a repeatable documentation framework aligned with SAMA BNPL Rules that cut average onboarding time by [#]%.
- Negotiated commercial terms directly with enterprise clients — including SLAs, payment conditions, and termination provisions — balancing merchant acquisition targets against the company's compliance and risk thresholds.
- Reviewed merchant contracts to flag regulatory and commercial risk gaps, coordinating with senior stakeholders to resolve issues pre-execution and reduce contract revision cycles.
- Built and maintained a contract repository and obligation-tracking system in Zoho CRM, improving visibility into renewal timelines, compliance checkpoints, and merchant milestones across the portfolio.
- Resolved financial-fraud cases and high-stakes merchant escalations, coordinating across operations, finance, and management to deliver structured, policy-aligned outcomes.

Sales Support Specialist Autobia · Riyadh, KSA

Jan 2024 - Jan 2025

- Prepared and reviewed commercial agreements, NDAs, and merchant onboarding documentation for BNPL clients, improving contract execution speed and consistency across the sales pipeline.
- Streamlined documentation and reporting workflows across sales, legal administration, and finance, creating a unified audit trail that improved compliance visibility and reduced approval bottlenecks.
