PROFESSIONAL EXPERIENCE

Key Account Manager & Legal Operations Specialist

Jan 2025 – Present

Autobia — Qasima Plus (BNPL Product) · Riyadh, KSA

- ▶ Architected the company's inaugural standardized BNPL merchant agreement template from first principles, establishing the contractual foundation for all merchant onboarding at scale.
- ▶ Maintained end-to-end drafting ownership of all merchant agreements, ensuring full alignment with SAMA BNPL Rules and the Finance Companies Control Law across every contract iteration.
- ▶ Spearheaded direct legal negotiations with enterprise merchants, navigating commercial risk allocation, liability caps, and termination provisions to protect the company's regulatory standing.
- ▶ Engineered a contract repository and CLM workflow within Zoho CRM, reducing obligation-tracking gaps and enabling real-time compliance visibility across the merchant portfolio.
- ▶ Led financial-fraud investigations and complex merchant escalations, coordinating cross-functionally between operations, finance, and compliance to resolve disputes with legal precision.

Sales Support & Legal Administration Specialist

Jan 2024 – Jan 2025

Autobia · Riyadh, KSA

- ▶ Drafted and reviewed a high volume of commercial agreements, NDAs, and corporate onboarding documentation, establishing documentation standards that reduced review cycles.
- ▶ Streamlined cross-functional documentation and reporting workflows, improving operational compliance visibility between sales, legal, and finance teams.

EDUCATION

Bachelor of Law (LL.B.)

GPA 3.65 / 4.0

Expected 2026

Saudi Electronic University · Madinah, KSA

Graduation Research: "The Legal Characterization of Finance Sale Contracts" — examined the doctrinal classification of installment sales and purchase-linked consumer finance instruments under the Saudi Civil Transactions Law, with direct application to BNPL product structuring.
